

# Digital Health Connect & Learn

## ABOUT

The RISI R&D team invites you to join this fireside chat to learn about advancements in remote patient monitoring from both an industry and research perspective. We'll discuss the latest companies, technologies and use cases being explored in this space.

## REGISTRATION

Click [here](#) to register for this free, virtual event. Deadline to register is June 22.

Email Tyler Lieser at [tyler.lieser@nationwidechildrens.org](mailto:tyler.lieser@nationwidechildrens.org) with any questions about this event.
