

**THE OHIO STATE UNIVERSITY**

CENTER FOR CLINICAL AND  
TRANSLATIONAL SCIENCE

## **Sixth Annual Scientific Meeting of the Center for Clinical and Translational Science**

### **Call for Abstracts**

Abstracts are being accepted for the CCTS Poster Display at the 6<sup>th</sup> Annual Scientific Meeting to be held on December 4, 2018 in the Ohio Union. The Ohio State University Center for Clinical and Translational Science (CCTS) is a collaboration among The Ohio State University, The Ohio State University Wexner Medical Center and Nationwide Children's Hospital dedicated to turning the scientific discoveries of today into life-changing disease prevention strategies and the health diagnostics and treatments of tomorrow.

This year's theme is "Teaming up on Science for a Healthier Ohio."

Ohio State University is leading the way in translating basic discovery to implementation to address Ohio's greatest health issues. The CCTS Annual Scientific Meeting is a forum where researchers and team members can share their approaches and advances for enhancing the way we conduct science in a rigorous, reproducible, and efficient manner.

[All abstract submissions must be made electronically through the CCTS' online abstract submission site.](#)

### **Important Dates**

**September 1, 2018:** Call for Abstracts Opens

**October 26, 2018:** Call for Abstracts Closes

### **Abstract Categories**

Substance abuse and behavior health

Chronic disease

Infant mortality

Accelerating diagnose and treatment of disease: targets and therapies

Lifespan research

New methodologies for clinical and translational science

*Submissions from individuals participating in CCTS training and pilot programs (TL1, KL2, Davis Bremer, Pilot), as well as Opioid Innovation Fund recipients, are particularly encouraged to participate.*

### Abstract Content

Abstracts submitted for the CCTS Annual Scientific Meeting may represent work in progress or previously published research. Abstracts are limited to 250 words and must conform to the following:

- Be in English
- Use single-spacing
- Arial font, no smaller than 11 point
- No pictures or charts (tables are allowed)

### Poster Development and Printing

Check with your college, department, or program for poster development (templates and appropriate logos) and printing resources. It is your responsibility to arrange to have your poster printed. **The display boards for your poster are 4' high by 6' wide.** Please be sure that your printed poster fits within those dimensions.

### Poster Display

Posters will be presented on December 4, 2018 at the Ohio Union. Poster set up is at 7:30 am and viewing will be 4:15 pm to 5:00 pm.

### Awards

Awards will be given to the top three abstracts by academic title (1. Graduate student; 2. Postdoctoral fellows/scholars, clinical fellows, and clinical residents; 3. Research staff and clinical research coordinators; and 4. Faculty and Research Scientists). Awards will be in the form of a travel award from the Center for Clinical and Translational Science to be used to present work at a regional or national conference (\$250 first place; \$200 second place; \$100 third place). The award winners will receive a certificate and have an acknowledgement on their poster the day of the event.
